CENTRAL OHIO NUMISMATIC ASSOCIATION

March 2025

When: 7 p.m., March 19

Where: Oakstone Academy
900 Club Dr., Westerville

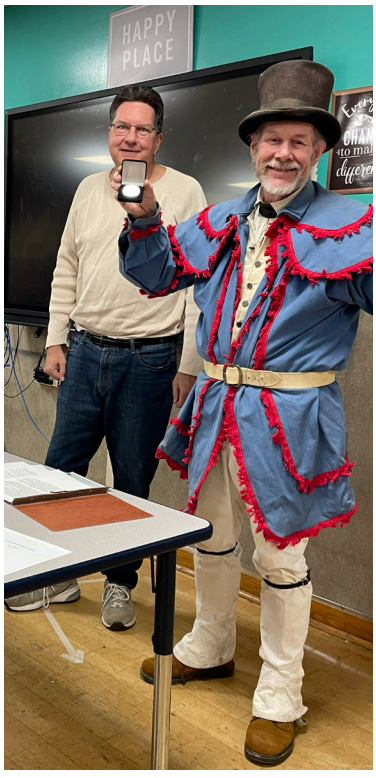
Presenter: George Bodurov VII

Topic: Coinage of Bulgaria

March meeting

Bulgaria, about the size of Ohio and Tennessee, has been issuing coins since 681. The main currency unit is the lev (lion in older Bulgarian), but plans call for it to be replaced by the Euro. George is going to talk about the nation's coins and his collecting journey.

February meeting



John Rieske (topic was Pipe Tomahawks), dressed in his finest military re-enactment regalia, spoke to us about pipe tomahawks, which were used as trade items and as a type of "currency" by Native Americans and white settlers alike from the mid-18th century through the early 19th-century. He focused on one particular maker, John Small, and he related how he came to possess one of the finest tomahawks made by John Small. - ***Chris***
